while his responsibilities are in no way less than those of the Dir of Agriculture his status and pay are not the same as those of the Dir of Agri although the Hds of Agri. & Animal Husbandry Depts are of identical status and pay in the other Provinces & States.

7) The following is the brief history of services of this officer :-

(1) 20-6-1930 : Veterinary Inspector (Temp.)
(2) 3-10-1930 : Jr. Veterinary Inspector
(3) 7-7-1934 : Veterinary Inspector (Permanent) Awarded Damodar Das Tee scholarship for prosecuting higher studies in Veterinary Bacteriology & Serology in Germany from 15-9-31 to 26-8-1935.
(4) 26-8-35 : Asst Supt C.V. Deptt : Rs 125-25/2-300
(5) 2-4-40 : Veterinary Research officer (Permanent) on Rs 225/- in grade Rs 125-25/2-300.
(7) 1-7-45 : Supt. Veterinary Services & Animal Husbandry on Rs 500-50/2-750.
8) 17-10-47 : Designated Changed to Director of Animal Husbandry on Rs 800-40-1000.

8) Sri Naidu is no doubt an officer with very high qualifications. He is now drawing a pay of Rs 920/- from 17-10-50. He will reach the maximum pay of the grade viz Rs 1000/- on 17-10-52. He has put in a

a service of 20½ years. He will attain the age of superannuation on 7.7.1959 and has therefore still nearly 8½ years of service before him to superannuate.

9) Kind reference is also invited to the note of the Hon'ble for Fin & Rev. in paras 51 to 55 in C.B. file no 298-48(1). Since the officer has not yet reached even the maximum of the present grade, it appears too early to think of revising the present grade to that of Rs 1000-50-1200, which is the same as that now fixed for the post of Dir of Agri. This is however a matter for separate consideration.

10) The point now for consideration is whether this application for the post of Dir of A.H., Hyderabad Dn. may be forwarded or not, specially in consideration of the fact that there is no one else to take this place immediately and that a requisition from the Govt of Hyderabad for sparing this services was refused in May 1950.

12) It is unfortunate that Dr Naidu is not satisfied with his lot here in spite of his rapid promotions. The recent retrenchment proposals to the cadet of Power Clerks have unsettled him. He is never in a mood to accept any retrenchment cheerfully.

13) He is no doubt an intelligent officer but we cannot expect the best from an unwilling officer. After careful consideration I am inclined to forward his application.

Dear Sir,

With reference to your No.12218, dated 30th November 1950, regarding Mr.P.M. Narayanaswamy Naidu's application for the post of Director, Veterinary Department, I have the honour to say that the Commission had, previous to the receipt of your letter, summarily rejected the application (a) for being sent direct and not through the Government and (b) for the very improper recommendation in favouring himself that was made by the applicant in his forwarding endorsement. The applicant may kindly be informed.

Yours faithfully,

Dear Sir,

Subject: Application for the post of Director of Veterinary Services, Hyderabad-Deccan.

I enclose herewith a copy of my application for the post of Director of Veterinary Services, Hyderabad-Deccan, in response to an advertisement for the post and request that the same may kindly be forwarded to the Secretary, Public Service Commission, Hyderabad-Deccan, early. As the last date for submitting the application was 28-10-1950, I have, in anticipation of kind approval of Government, already forwarded an advance copy of the application and am submitting this through proper channel as required by them.

Please expedite Reply 17/11/50 15/11/50 Sri K. L. N.

This is wrong 16 17/11/50

In this connection I may be permitted to state that besides holding the highest qualifications in Veterinary and Animal Husbandry Science both from Indian and foreign Universities, I have put in over 20 years of hard and loyal service to the State, during the course of which it has been my privilege to play no small part in the alround development of the Department, especially during the last five years, during which I have organised, initiated, directed and controlled the activities and administration of the Department to the best of my ability.

While my responsibilities are in no way less than those of the Director of Agriculture,

p.t.o.

my status and pay are for reasons unknown to me, not the same as the above officer, although the heads of Agricultural and Animal Husbandry Departments are of identical status and pay in the other Provinces and States, which has placed me in an embarassingly humiliating position for no fault of mine. Further I find that with my present pay and meagre prospects, as also the soaring cost of living and my responsibilities to a large family, it is becoming increasingly difficult for me to cope with my obligations to the State and my family.

I therefore request that my application may kindly be forwarded to the Public Service Commissioner, Hyderabad-Deccan, as I stand a good chance of being selected for the post, which carries emoluments that would help to relieve me of my mental worries, thereby enabling my potentialities born out of extensive knowledge and vast experience, to express themselves at their best for the good of the country at large
